### Order

#### Registration of attendees

□ **October 19, 2022**

**9.30 — 18.00;** Balashikha, Moscow Region, East Gate Hotel.

□ **October 20, 2022**

**8.30 — 9.20;** Balashikha, Moscow Region, East Gate Hotel.

### Conference work

□ **October 20-21, 2022,** conference-hall

### Departure of the attendees

□ **October 22, 2022**

### Conference topics

- influence of political decisions of different countries on the development of the coal generation;
- impact of environmental legislation changes on solving the coal ash handling issues;
- ash and slag products marketing;
- coal ash production and use;
- zero waste coal-fired thermal power plants;
- technologies for complex processing of the coal ash disposed of;
- large-capacity technologies for the coal ash processing;
- low-tonnage high-tech production facilities for the coal ash processing;
- promising coal ash handling systems at TPPs;
- advanced training and retraining of specialists in the field of coal ash handling.

## Dear Colleagues!

The Centre for Science and Education “Ecology of Power Engineering” of the Moscow Power Engineering Institute invite you to attend VII International Conference “Coal ash – removal, transport, processing, disposal” to be held on October, 19-20, 2022.

**Official languages of the Conference:** Russian and English.

Full-text papers will be published in the Conference proceedings before the event. After the Conference, a press release will be placed at the web sites of the Organiser [www.ecopower.ru](http://www.ecopower.ru), [ECOBA](http://ECOBA) and the [World Wide Coal Combustion Products Network](http://World Wide Coal Combustion Products Network).

### Deadlines

**June 01, 2022** – paper submission. Papers are to be submitted via e-mail in Russian and English.

**June 15, 2022** – notification by the Organizing Committee about acceptance of the paper and publishing it in the proceedings. The Conference program includes the papers only in case they are presented by any of the authors, besides students and post-graduates. One participant can present only one paper.

**August 15, 2022** – submission of the Conference proceedings to the publishing house.

**September 01, 2022** - accepting applications for participation in the conference.

### Paper requirements

The Conference proceedings include the papers containing actual results of implementation and new developments to address the coal ash handling problem, taking into account the world experience. Paper guidelines will be placed on the web site [www.ecopower.ru](http://www.ecopower.ru). The papers accepted by the Organizing Committee should be submitted in Russian and English. The authors of the papers should give permission to the Organizing Committee for their publishing in print and electronic media, including the web site: <http://osi.ecopower.ru>.

### Participation

Conference participation fee, including VAT, makes 63000,0 RUB or 700 EUR. Participation fee includes: participation in the Conference, opening and closing ceremonies, proceedings, and coffee-breaks.

**Organising Committee address:** Russia, 111250, Moscow, Krasnokazarmennaya str., 14, National Research University “Moscow Power Engineering Institute”, Centre for Science and Education “Ecology of Power Engineering” of MPEI.

**Applications for participation in the Conference and papers can be sent to e-mail addresses:**

## Conference Application form

First name, last name \_\_\_\_\_  
Academic degree \_\_\_\_\_  
Position \_\_\_\_\_  
Phone \_\_\_\_\_ e-mail \_\_\_\_\_  
Address for correspondence \_\_\_\_\_  
Organization (*full name*) \_\_\_\_\_  
Head of organization: \_\_\_\_\_  
Legal address \_\_\_\_\_  
Phone \_\_\_\_\_ e-mail \_\_\_\_\_  
**Bank details:** \_\_\_\_\_  
\_\_\_\_\_ Settlement account \_\_\_\_\_  
Bank name \_\_\_\_\_  
\_\_\_\_\_ Contact person \_\_\_\_\_ phone \_\_\_\_\_  
E-mail \_\_\_\_\_

### A form of participation in the Conference:

The planned quantity of participants from your organization

\_\_\_\_\_ presenters \_\_\_\_\_ others \_\_\_\_\_  
What issues would you like to discuss \_\_\_\_\_

**Head of organization** \_\_\_\_\_  
(*Signature, stamp*)

## Finance support

We accept sponsors’ payments from legal and physical persons in the form of donations on organization and holding of the Conference.

**General sponsor** – a payment of 10,0 thousand EUR and more. A sponsor, making maximum donation, will be indicated as a General one. The General sponsor has the right to free participation of **five** representatives in the Conference.

**Golden sponsor** – a payment of 7,0 thousand EUR and more. The Golden sponsor has the right to free participation of **three** representatives in the Conference.

**Silver sponsor** – a payment of 5,0 thousand EUR and more. The Silver sponsor has the right to free participation of **two** representatives in the Conference.

**Sponsor** – a payment of 2,0 thousand EUR and more. Sponsor has the right to free participation of **one** representative in the Conference.

**Note!** Sponsors, donating on organization and holding of the Conference till August 15, 2022 will be listed in the proceedings and press-release of the Conference in order defined by the sum of donations.

Sponsors’ payments are accepted in currency or in equivalent RUB.
